**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Stop taking bribery from big telecom companies. Stop lying to the public that those companies will innovate and lower price with their monopolies. It is common sense they want to make as much money with as little competition as possible. I support broadband competition, so the consumers can benefit from it
